Golf Classic**  
**Another Successful  
Tournament**

The 12th Annual WK Chan Diamond Charity Golf Classic was held on Tuesday, July 20th, 2010 at Glendale Golf and Country Club in support of the Canadian Cancer Society, Manitoba Division. The weather turned out great again and made for a very enjoyable afternoon for the golfers. Through the collaborative efforts of the many sponsors, golfers and volunteers the tournament raised over \$20,000 for 2010 and brought the total raised to date to over \$320,000.00. The proceeds of this year's tournament are earmarked for breast cancer research.

Congratulations to the Tournament Committee for another amazing and successful event.
