The theme was Bond — James Bond — at the second annual Make Cancer History Gala Ball on Sept. 15. Martinis were a must and the drink of choice. Ladies were dressed as fashionably

as any Bond girl, while the men dressed in their Bond best, with some even donning the signature tux. The event sparkled and was a great success, raising more than \$160,000 for

the Canadian Cancer Society, taking us all one step closer to making cancer history.
